

EDP Comercial hereby certifies that

MAXIGRAU UNIP LDA

has subscribed to EDP Commercial's Green Electricity, ensuring that the electricity consumed during the supply period specified below was generated entirely from 100% renewable sources. As a result, the company is reducing its ecological footprint and contributing to the creation of a cleaner, more sustainable, and better future.

NIPC: 508790166

Consumed energy (kWh/year): 54 969 Kwh

Supply period: 23/12/2025 a 22/12/2026

A handwritten signature in black ink, appearing to read 'António Araújo', written over a white background.

António Araújo
Adminstrador EDP Comercial
